

AROUND ITALY
2022 CALENDAR

Armal.

WHAT IS YOUR FAVORITE ITALIAN CITY?

Think of Rome, Florence or Venice and picture the Italians who make these cities come alive. As Italians, we are creative, we love design and we create iconic products, which often become recognizable abroad with the “Made in Italy” branding.

When you say Italy, one might think it means a Vespa on a road trip... A square with tourists from everywhere, admiring the architecture and sometimes looking for a public toilet... Crowded museums with the entrance lines organized with Armal Barriers. Italy is like an aperitif at the bar, and it echoes with the sound of footsteps on roads paved by the Romans ages ago.

And now, centuries later, the Handy portable toilet is climbing the Milanese skyscrapers that are currently under construction.

Italy means busy cities where there is constant need for portable sanitation facilities just like in any other major city around the world.

In 2022 we celebrate beauty: beautiful cities, beautiful products and beautiful illustrations. Each month we will take you on a journey to one of our favorite Italian cities. With a disclaimer: if you do not already own Italian Vintage Posters resembling ads from the early 1900, you may want to choose which calendar months you are going to frame, because you will be able to create a beautiful wall.

An abstract illustration consisting of several thick, expressive brushstrokes in a vibrant red color with white highlights. The strokes are layered and overlapping, creating a sense of movement and depth. They are set against a dark, charcoal grey background. The overall effect is reminiscent of a gestural, painterly style.

NOTHING BEHIND ME,
EVERYTHING AHEAD OF ME,
AS IS EVER SO ON THE ROAD.
