Armal Disks 24/7 Fragrance Enhancing Disks

Simply place one ARMAL DISK on the outside of the toilet rod, behind the urinal, the vent pipe, screens or trash receptacle for long-lasting fragrance enhancing protection in your portable toilet. Do not place disk on surfaces that can be damaged by fragrance oil such as polished surfaces, some plastics and finished wood. If you prefer, you can use our self-adhering Disk Hook to place the ARMAL DISK in an inconspicuous location.
