## All Purpose Cleaner

Armal All Purpose Spray is a reliable cleaner designed to handle a wide range of jobs, from portable restrooms and trailers to fleet vehicles. Its balanced formula removes dirt and everyday buildup while staying gentle on surfaces like counters, carpets, fabrics, equipment, and hard surfaces. It can be used straight from the bottle for tougher messes or diluted for routine cleaning, giving operators flexibility in the field.

As it cleans, Armal All Purpose Spray helps control odors, creating a noticeably cleaner environment. The non-abrasive, non-flammable, non-caustic, phosphate-free formula is safe for frequent use and works well whether applied manually or through equipment such as floor scrubbers, carpet cleaners, pressure washers, or parts washers
